

Founder: Bonnie Walson
August 6, 1945 ~ May 18, 2005

Bonnie Walson founded Heritage Day Health Centers in 1984. Under her leadership we were, and continue to be, recognized repeatedly as a leader in the field of adult day services. Innovation and services are the hallmark of Heritage Day Health Centers. Among Bonnie's numerous accomplishments, honors and affiliations, were her leadership roles in *The National Adult Day Services Association* and its *Accreditation Committee* and *The Ohio Association of Adult Day Services*. Bonnie received *The Association of Philanthropic Homes and Services for the Aging Award for Excellence in Community Services* in 2003 and was named a YWCA Woman of Achievement in 2004.
